SUBJECT: SUMMARY OF DIGITAL RECORDING FOR WITNESS  
[REDACTED]

The following is a summary, and not a verbatim account, of what [REDACTED] said. Please refer to the audio recording of this interview, also an attachment to this investigation, for the complete interview.

The witness, [REDACTED], stated that she and her sister's boyfriend, [REDACTED] (no further information) were in the living room with her sister, [REDACTED], children. While in the living room [REDACTED] heard a "loud conversation" and told [REDACTED] "What the heck does he want?" referring to [REDACTED] husband, [REDACTED]. Suddenly the screen door opened and [REDACTED] pushed Ivette inside the house by pushing her on the arms and on the shoulder. After [REDACTED] pushed Ivette inside of the house, he told [REDACTED] that he had to talk with him. [REDACTED] then grabbed [REDACTED] by the arm, pushed him and told him, "You gotta get the fuck outta here." [REDACTED] and Ivette then pushed [REDACTED] towards the doorway. [REDACTED] responded by saying to Ivette, "Is this what you're doing to our kids. How could you let that man live here." At that time, [REDACTED] started arguing with Frank stating, "What kids are you talking about." As [REDACTED] argued, [REDACTED] was telling [REDACTED] that he had to "get out." [REDACTED] who had a telephone in her hand, told [REDACTED] that either he leaves or she would call the police. [REDACTED] took the phone from [REDACTED] and called the police. [REDACTED] immediately left the house and about ten minutes later, officers arrived.

[REDACTED] related that she not observe any injuries to [REDACTED] at the time of the incident but saw bruises on her arm and shoulder the next day. [REDACTED] further related that [REDACTED] did not receive any medical attention for the bruises and that she did not observe [REDACTED] have any other physical contact with [REDACTED].
